MENTORSHIP THAT SHAPES.

At Modulus, educators are chosen not only for what they know, but for how they inspire, mentor, and elevate every learner.

RIGOROUS SELECTION

We select educators for their subject mastery, clarity, communication, mentorship, and character. Only the best become part of our team.

CONTINUOUS DEVELOPMENT

Our educators engage in ongoing training, workshops, and curriculum enhancement to stay ahead. Because learning never stops.

A CULTURE OF EXCELLENCE

We foster collaboration, share best practices, and continuously refine teaching to deliver outstanding learning outcomes.

MENTORS BEYOND THE CLASSROOM

Our educators guide, challenge, and inspire students to grow in confidence, character, and purpose.

Q. Find the number of 3's and 7's in the following summation
 $3 + 33 + 333 + \dots + \underbrace{3333\dots333}_{120 \text{ 3's}}$

Ans: Let $S = 3 + 33 + 333 + \dots + \underbrace{3333\dots333}_{120 \text{ 3's}}$
 $S = 3(1 + 11 + 111 + \dots + \underbrace{1111\dots111}_{120 \text{ 1's}})$

Multiplying and Dividing by 9 on RHS

$$S = \frac{3}{9} (9 + 99 + 999 + \dots + \underbrace{9999\dots999}_{120 \text{ 9's}})$$

$$S = \frac{1}{3} [10^1 + 10^2 + 10^3 + \dots + 10^{120} - \underbrace{(1 + 1 + 1 + \dots + 1)}_{120 \text{ 1's}}]$$

$$S = \frac{1}{3} \left[\frac{10(10^{120} - 1)}{10 - 1} - 120 \right]$$

$$S = \frac{1}{3} \left[\frac{10}{9} (10^{120} - 1) - 120 \right]$$

$$S = \frac{10}{27} (10^{120} - 1) - 40$$

$$S = 0.\overline{370} (10^{120} - 1) - 40$$

$$S = 0.\overline{370} \times 10^{120} - 0.\overline{370} - 40$$

$$S = \frac{0.\overline{370} \times 10^{120} - 40.\overline{370}}{40 \text{ pairs of } 370\text{'s}}$$

$$S = \frac{370, 370, 370, \dots, 370 - 40}{40 \text{ pairs of } 370\text{'s}}$$

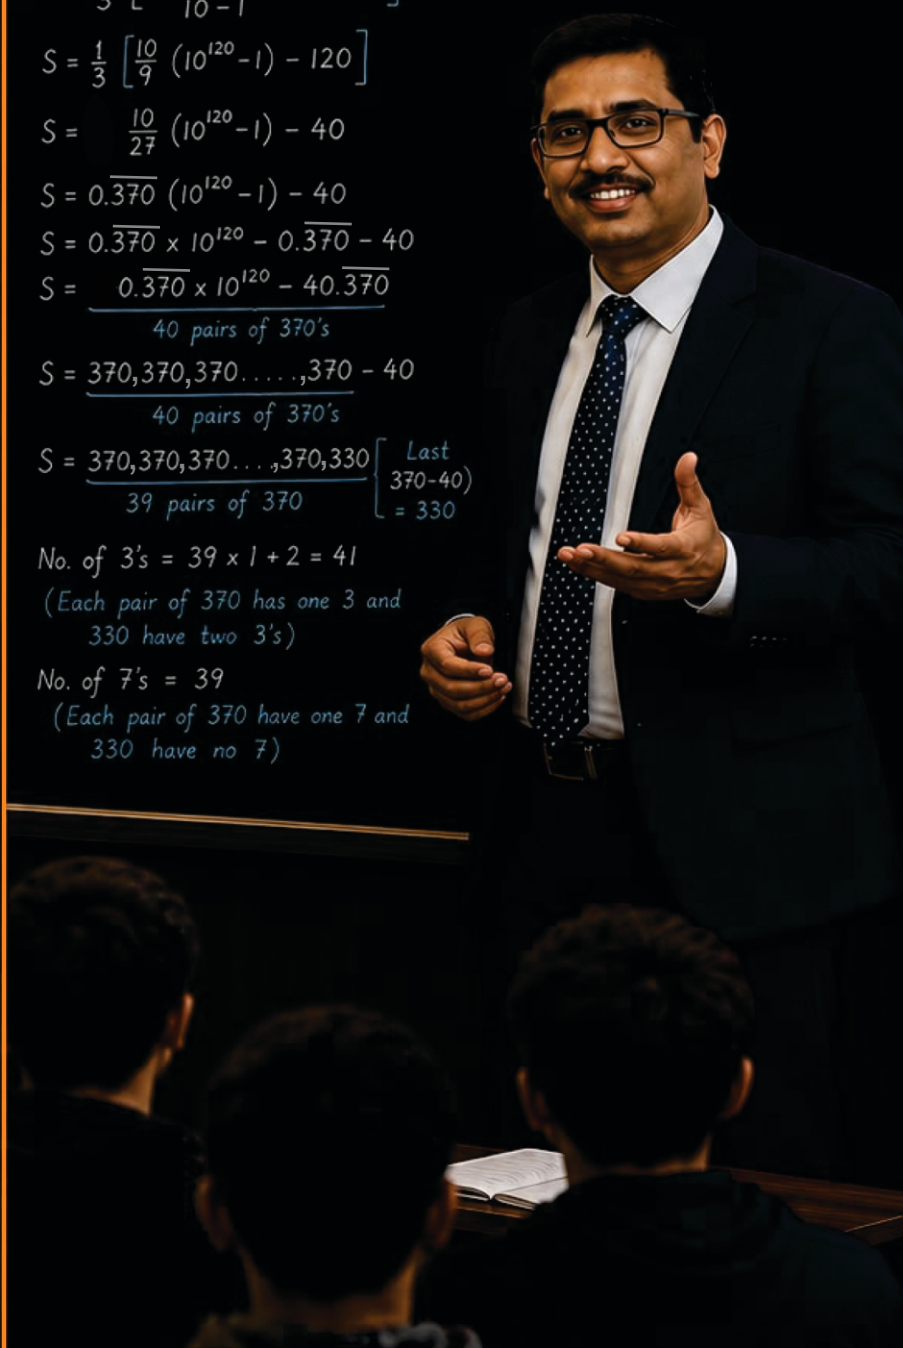

$$S = \frac{370, 370, 370, \dots, 370, 330}{39 \text{ pairs of } 370} \left[\begin{array}{l} \text{Last} \\ 370 - 40 \\ = 330 \end{array} \right]$$

$$\text{No. of 3's} = 39 \times 1 + 2 = 41$$

(Each pair of 370 has one 3 and 330 have two 3's)

$$\text{No. of 7's} = 39$$

(Each pair of 370 have one 7 and 330 have no 7)

Where ambition *meets* opportunity.

An environment that challenges minds,
nurtures potential, and empowers
students to achieve what they aspire for.

Behind every achievement is a story of trust, guidance, and belief. Here are the voices of students and parents who have experienced the **Modulus** journey.

“

My journey at Modulus has been truly exceptional. The stress-free learning environment, extraordinary faculty, excellent study material, and a highly competitive yet supportive peer group played a crucial role in my success. I am extremely grateful to the entire Modulus team for their constant guidance and encouragement. Securing AIR 9 and becoming the South India Topper in JEE Advanced 2025 is a journey I will always cherish.

“

What I really appreciate about Modulus Junior College is its approach to teaching. The focus is not just on completing the syllabus, but on building strong concepts and making sure students truly understand what they learn. The college provides a stress-free, friendly environment and the faculty are easily accessible whenever students need them. Overall, Modulus provides the right balance of academics, personal attention, and a positive environment to help students achieve their goals.

“

Our journey with Modulus has been truly exceptional and memorable. The guidance, mentorship, academic rigour and constant support from Team Modulus played a significant role in Dishit's JEE journey. With the dedicated efforts of the faculty and his hard work, Dishit secured AIR 235 in JEE Advanced 2026 and made it to his dream college, IIT Delhi. What we loved most about Modulus was the strong focus on concepts, the stress-free learning environment and the ever accessible faculty team.

As parents, we are grateful to the entire Modulus family for being such an important part of Dishit's journey and ours too.

“

My journey at Modulus has been truly transformative. The extraordinary teachers, highly accurate test series, and helpful peer group played a major role in my success.

Even when I wasn't performing at my best in my first year, the teachers' timely guidance and constant support from my peers motivated me to improve. Modulus's focus on teaching concepts thoroughly gave me enough time to peak at the right moment and perform my best in JEE Advanced 2026, securing AIR 65.
